

FIRST DAY HIKE

@ PENNYRILE FOREST STATE RESORT PARK

JANUARY 1, 2015

Get the New Year started off right with a hike at Pennyryle Forest State Resort Park. Hike the Lake Trail with the park's naturalist.

Winter is a wonderful time to hike. You don't have to worry about poison ivy or ticks, and the scenery is just beautiful. Many of the sandstone cliffs in the area are covered with ice and without the leaves on the trees you can see many of the rock formations better than any other time of the year. Not only will this be the first hike of the year, but we plan to continue with guided hikes on the first of every month in 2015.

Cost: FREE

Bring: Water and dress for the weather. Hiking stick recommended.

Length: Approximately 1.5 hours.

Time: Noon CST

Register: Contact the naturalist office at 1-800-325-1711 or rebecca.clark@ky.gov. Must register one week prior to event.
